About the Europe-China Business & Technology Cooperation Fair

中国-欧盟投资贸易科技合作洽谈会始于2002年,由欧盟委员会发起,自2006年以来,已发展为欧盟成员国参与最多、欧方企业覆盖最广的中欧投资贸易与技术合作盛会之一,成为中欧企业信息交流、贸易合作不可或缺的国际化窗口。

自创办以来,欧洽会累计吸引1.2万多家中欧企业踊跃参与,成功安排企业配对洽谈逾2.9万场次,达成意向性合作协议超过3200项。

站在中欧建交五十周年的新起点,第十八届欧洽会承载着更厚重的历史使命。会议设计紧密围绕新时期中欧经贸关系的发展需求,不仅着眼于当前双边贸易与投资的便利化,更致力于探索未来五十年的合作新机制与新路径。

The Europe-China Business & Technology Cooperation Fair ("Europe-China Fair"), initiated by the European Commission, made its debut in 2002 and has reached its 18th edition this year. Since 2006, it has developed into one of the premier Europe-China investment, trade, and technology cooperation events with the highest participation of EU member states and the broadest coverage of European enterprises. It has become an indispensable international window for information exchange and trade cooperation between Chinese and European enterprises.

Since its inception, the Europe-China Fair has cumulatively attracted more than 12,000 Chinese and European enterprises to participate, successfully arranged over 29,000 enterprise matchmaking meetings, and resulted in more than 3,200 intended cooperation agreements.

Standing at the new milestone of the 50th anniversary of China-Europe diplomatic relations, the 18th Europe-China Fair carries an even greater historical mission. Its agenda has been carefully designed to closely align with the evolving needs of China-Europe economic and trade relations in the new era, focusing not only on the facilitation of current bilateral trade and investment but also dedicating itself to exploring new mechanisms and new pathways for cooperation in the next 50 years.
